

NEBRASKA PUBLIC POWER DISTRICT

Schedule: GR-RIDER Issued: 11/18/14
 Supersedes Schedule: GR-RIDER Issued: 11/14/13
 Sheet No.: 1 Of 2 Sheets

GREEN ENERGY RIDER RATE SCHEDULE

(Name of Schedule)

AVAILABLE: In the retail distribution service territory of the District.

APPLICABLE: To any retail Customer of the District that chooses to purchase Green Energy Blocks.

DEFINITIONS:

- A. Environmental Attributes – Any and all credits, benefits, emissions reductions, environmental air quality credits, and emissions reduction credits, offsets, and allowances, howsoever described or entitled, resulting from the avoidance of the emission of any gas, chemical, or other substance attributable to the Green Energy Blocks, but specifically excluding tax credits.
- B. Green Energy Block – A monthly block of 100 kWh of energy and Environmental Attributes from the District’s wind generation resources.

BASE RATE:

The base rates, charges and Base Rate Adjustments for electric service as determined under the Customer’s applicable standard rate schedule and applicable riders, with the addition of the following charge for Green Energy Blocks:

\$1.90 per Green Energy Block per month

The appropriate Base Rate Adjustment provisions of the Customer’s applicable standard rate schedule shall apply to the charge for Green Energy Blocks.

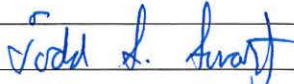

TERMS AND CONDITIONS

1. The Customer shall comply with all applicable terms and conditions of their appropriate standard rate schedule and applicable riders.
2. The District shall not sell or transfer any Environmental Attributes associated with the purchased Green Energy Blocks to anyone other than the Customer taking service under this rate schedule.
3. The District reserves the right to limit the number of Green Energy Blocks available for sale under this rate schedule.

TAX CLAUSE: In the event of the imposition of any new or increased tax or any payment in lieu thereof, in excess of that provided for under Article VIII, Section 11 of the Nebraska Constitution, by any lawful authority on the production, transmission, or sale of electricity, the rate provided herein may be increased to reflect the amount of such tax or in lieu of tax increase.

Effective: January 1, 2015

Approved: 11/14/2014 Resolution No.: 14-59

GREEN ENERGY RIDER RATE SCHEDULE

(Name of Schedule)

4. The Customer may begin purchasing or increase their purchase of Green Energy Blocks by notifying the District. Such purchase will become effective in the Customer's current billing period.
5. The Customer may cancel or reduce their purchase of Green Energy Blocks by notifying the District. Such cancellation or reduction will become effective following the conclusion of the Customer's current billing period.
6. The District retains and reserves the right, power, and authority to modify, revise, amend, replace, repeal or cancel this rate schedule, at any time and in whole or in part, by resolution adopted by the District's Board of Directors.

TAX CLAUSE: In the event of the imposition of any new or increased tax or any payment in lieu thereof, in excess of that provided for under Article VIII, Section 11 of the Nebraska Constitution, by any lawful authority on the production, transmission, or sale of electricity, the rate provided herein may be increased to reflect the amount of such tax or in lieu of tax increase.
