POLE ATTACHMENT RATE SCHEDULE

(Name of Schedule)

AVAILABLE: Within the general area served by the District.

APPLICABLE: To other utilities and entities which may occupy public or District right-of-way and who attach cable TV, telecommunication, or other communication cables or appliances (Communications Attachments) and/or electric facilities (Electric Facilities Attachments) on District owned or leased poles and which attachments are made in accordance with the National Electrical Code (NEC), the National Electrical Safety Code (NESC) and local laws. The attaching entity must enter into an applicable pole attachment service agreement with the District before attachments are made to poles.

CHARACTER OF SERVICE: Generally, attachments are made on poles at heights stipulated by the NESC and District requirements.

RATES:

Communications Attachments: \$11.50 per pole per year

Electric Facilities Attachments: \$19.00 per pole per year

TERMS AND CONDITIONS:

1. Attachments to District poles will be in accordance with the terms and conditions contained in a written pole attachment service agreement entered into with the District.
2. The District retains and reserves the right, power and authority to modify, revise, amend, replace, repeal or cancel this rate schedule, at any time and in whole or in part, by resolution adopted by the District's Board of Directors.

TAX CLAUSE: In the event of the imposition of any new or increased tax or any payment in lieu thereof, in excess of that provided for under Article VIII, Section 11 of the Nebraska Constitution, by any lawful authority on the production, transmission, or sale of electricity, the rate provided herein may be increased to reflect the amount of such tax or in lieu of tax increase.
